

Dear Community Member,

My name is Caden Fischer, a Life Scout in Troop 442 in Friendswood, Texas, and a member of the Friendswood High School Class of 2020. For my Eagle Scout project, I have been approved to build a dog park in Old City Park on Merriewood Drive, in partnership with the City of Friendswood.

The Friendswood Dog Park will be approximately 33,000 square feet, with an area for large dogs and another for small dogs, each with a double gate entrance. Additional features include, trees, benches, human and dog water fountains, a dog wash station, and a few other things. I project the dog park will open to the public in six to twelve months after the funding is secured. Once completed, the City of Friendswood will maintain the dog park.

Such a project will cost a lot of money (about \$29,000), most of which will be coming from private donors, like you. I would appreciate it if you would consider donating funds, resources, and/or publicity towards my project. There are several sponsorship levels available, should you like to donate. The details of Platinum Paw, Gold Bone, Silver Collar, and Bronze Biscuit sponsor levels are detailed on the next page.

There will be several work days throughout the project. For these, I welcome volunteers from the community to join me and my fellow Scouts. Some work day tasks include, demolition of the existing fence, building and installing benches, as well as placing and grading soil over the culvert. Please let me know if you would like to be made aware of volunteer work days.

I appreciate your consideration. If you would like to become a sponsor or volunteer, please complete the next page and return it to me via mail (Dog Park c/o Caden Fischer, 404 Meadow View Court, Friendswood, TX 77546) or email (friendswooddogpark@gmail.com). If you have materials or tools that would be useful for my project that you are interested in donating, please email friendswooddogpark@gmail.com.

With great respect,

Caden Fischer
